

Les FARIOS

ISLE sur la SORGUE, Vaucluse/France

UFAR
RUGBY DE FRANCE

Union Française des Anciens du Rugby

Are please to announce

International veterans Rugby tournament “*BROQUES - ANTIQUES*”

Friday & Saturday April 28th and 29th of April 2017

(Rugby XV - matches for over 35 and over 50)

Les Farios

Farios Vet team was created in 1988, more than 25 years (yet...), by a bunch of guys who wanted to continue the rugby adventure together despite bodies getting kind of rusty.

From 25 members at the beginning of the story the side counts today over 60 players spited now in 2 groups, "**young**" team : from 35 up to 50 and "**senior**" team over 50 (up to 73 to be honest)

Both teams share Friday practice and "after practice traditions".

Our guys and wives will be more than happy to welcome you for their annual international tournament (for festival, whatever) occurring **April the 28th and 29th 2017**.

Farios are well recognized through their harlequin jersey and trout logo. They have attended to many events in France and abroad. Many memories to share with a lot of friends made here and there.

The goal is to continue having fun on the pitch despite bodies getting more and more stiff and painful, trying to stay as fitted as possible. Sharing good time together is, of course, our main objective.

Our recipe to enjoy: Friendship, team spirit and rugby values, like post match celebration.

Founder are now member of the senior team, they keep an attentive eye on the "young" players in order to make sure the above values are respected.

We will be glad to challenge you on the pitch and, obviously, at the bar.

Farios were elected to organize the very first French over 50 event in 2012.

TOURNAMENT'S SPIRIT

The Broques Antiques tournament is not only a sport event. It is a nice occasion of time sharing between rugby fans coming from various countries and different areas of France.

Come and join us for the Friday pre tournament evening party and, if possible, bring with you some local food (or drink) specialties, we will share those with the other participants.

Saturday will be the THE rugby and party day, sweat on the pitch and friendliness around the pitch (at the "pump room")

"icing on the cake" : walk across the city with the peña ahead when reaching the Gala event hall.

Gala evening will close the tournament. (food, drink, music and dance)

**We want you to become a sport and party actor of this day,
we are looking forward to meet you.**
